Tuition & Fee Schedule 2024-2025

Tuition Information - Please take note of the following: **ALL new and returning students will be charged a \$35 Registration Fee at the beginning of the 2024-2025 Season.** If your child is dancing on TWO or more performance/competition groups they will need to pay an additional \$10 registration fee per group. If your dancer is doing MORE hours than what is listed on this chart (for example, a Competition Team and Jazz Performance Group), please take a close look at our sliding scale for tuition. DO NOT add the two monthly tuition charges on this chart to figure out tuition. We give a discount to students who take multiple hours and are serious about improving their dancing.
